### Javed Ali

#### International

- NUHS 2012, Singapore – 2 presentations: Diseases of the puncta; & What's our group's contribution to Dacryology.
- CUHK Grand rounds 2012, Hong Kong – 3 engagements: Lacrimal quiz; Challenging Dacryology Cases; & Recent advances in Dacryology.
- ISO-HK 2012, Hong Kong – 4 presentations: Puncta- more than what meets the eye; Diagnostic and Therapeutic Dacryoendoscopy; Mitomycin C in DCR: Does it really work; & Complex CNLDO and dual endoscopy in higher ages.
- OSB 2013, Dhaka – 2 presentations: Canalicular stenosis and its management; & What's happening in Lacrimal disorders.
- APAO-AIOS 2013, Hyderabad – 7 presentations: Management of a Failed DCR; NLD Recanalization; Orbital Fungal infections; Lacrimal infections; RBI Gene Mutations; What's new in CNLDO; & Pediatric upper lacrimal system disorders.

#### National

- Fusion 2012, Hyderabad – 4 presentations: Adult Balloon DCP; Canalicular blocks – workable solutions; Endoscopic CDCR; DCR: & Cornerstone in the evolution of Dacryology
- Evidence 2012, Hyderabad – 4 presentations: MMC: Is it just a feel good factor; Silicone intubation: Does it really work; Pediatric Lacrimal diseases; Recent advances in Dacryology'
- Consent 2012, Ahmedabad - Medicolegal concerns of an ophthalmologist.
- SDEH CME, 2012, Hyderabad - Pediatric Lacrimal disorders.
- NHRM-LVPEI Meet, 2012, Hyderabad - Pediatric Oculoplastic disorders.
- EyePEP 2012, Hyderabad – 6 presentations: What's new in Dacryology; Congenital lacrimal disorders; Tackling Entropion; How to do a good External DCR; Evaluation of lids, lacrimal system and orbits; & Positive side effects – The four letter words you love
- APOS 2012, Guntur – 8 presentations: Pediatric upper lacrimal system disorders; CNLDO – All you want to know; Lacrimal trauma; Principles of external dacryocystorhinostomy; Adult Balloon Dacryoplasty; Dual Endoscopy- Saving children from a DCR; Multimodal approach for an endonasal revision DCR; & Self-linked stents for pediatric external DCR.
- OPAI 2012, Amritsar – 3 presentations: What's new in Dacryology; Multimodal therapy for revision endonasal DCR; & Dacryology: Thinking beyond DCR
- KSOS-Future 2012, Bijapur - Recent Advances in lacrimal disorders
- VOA CME 2012, Vijayawada – 5 presentations: Lid mass – What is it; External DCR – Video lecture; Syringing and Probing – Video lecture; A case of Proptosis – How do I proceed; & Acute Dacryocystitis – What's new.
- NTR-UHS CME, GMC 2013, Hyderabad - Recent Advances in Dacryology.

### Bhupesh Bagga

#### International

- ASCRS, San Francisco, USA – Paper presentation: Outcome of Neisseria keratitis; April 2013.

#### National

- Hormony 2012, Moradabad – 2 Invited Talks: Newer Antimicrobials; Paediatric Corneal Infections; December 2012.

### Deepak Kumar Bagga

#### International

- 9 GA, IAPB, Hyderabad – Rapid Fire presentation and Poster presentation: Quality of Life in visually impaired Indian population; 17-20 September 2012.

#### National

- 27<sup>th</sup> Low vision Awareness Program (LAP), Hyderabad – Talk: Patients with low vision: examination is simple; 7 April 2012.
- Evidence 2012, Hyderabad – Talk: Low vision: need we despair; 31 May-3 June.
- 28<sup>th</sup> Low vision Awareness Program, Hyderabad – Talk: How can I help my patients with low vision; 21 September 2012.

### Divya Balakrishnan

#### International

- 9 GA, IAPB, Hyderabad – Paper presentation: Evolving Trends of Retinopathy of Prematurity Over a Decade of the Indian Twin Cities ROP Study (ITCROPS); September 2012.
- EURETINA, Milan, Italy – 2 Paper presentations: Clinical Outcomes of Treatment of Optic Disc Pit with Neurosensory Detachment; & Indian Twin Cities ROP Study (ITCROPS) - Journey over a decade to combat the “third epidemic” of ROP; 6-9 September 2012.
- APAO-AIOS, Hyderabad – Poster: Clinical profile and surgical outcomes of persistent fetal vasculature (persistent hyperplastic primary vitreous) PHPV; 17-20 January 2013.

#### National

- Fusion 2012, Hyderabad – Talk: Pediatric Retina session, ROP – Can we win the war; 12-14 February 2012.
- Evidence 2012, Hyderabad – Talk: ROP session - Trends in ROP; June 2012.

### D Balasubramanian

#### International

- National University of Taiwan - Lecture; 23 May 2012.
- C-TRACER-1 at Hyderabad, Coimbra, Portugal - Research progress; 28 June 2012.
- International Society for eye research meeting, Berlin – Lecture: Limbal Stem Cell Research and Therapy – CLET / SLET; 23 July 2012.
- TWAS, Tenenjin, China- Lecture: Limbal Stem Cell Therapy for the Cornea; 17 September 2012.
- International Conference on Ageing, Hong Kong – Lecture: Cataract as an Ageing Disease; 14-15 November 2012.
- Meeting of C-Tracer 3, Sao Paulo, Brazil – Lecture, Progress of Work at C-Tracer 1; 13-15 December 2013.
- APAO Hyderabad – Talk: Stem Cell Therapy at LVPEI; 17 January 2013.

#### National

- Punjab University, Chandigarh - Research talk: Molecular Aspects of Cataract; 16 April 2012.
- Narayana Medical College, Nellore – Lecture: L V Prasad Pyramid Model of Eye Care; 16 June 2012.
- Novartis Hyderabad – Talk: Molecular Aspects of Congenital Cataract; 30 July 2012.
- IIT Hyderabad – Lecture: Material Science and the Eye; 29 August 2012.
- IIT Hyderabad – Lecture: Translational Research in Ophthalmology; 3 October 2012.

- Meeting of Indian National Science Academy, Lucknow – *Convener: History of Indian Medical Traditions*; 14-16 October 2012.
- IIT, New Delhi – *Lecture: Functional Analysis of Optineurin - A Molecule of Importance in Glaucoma*; 22 October 2012.
- IISc, Bangalore – *Lecture: Contributions of G N Ramachandran on Protein Conformations*; 8 January 2013.
- Osmania University, Centre for International Programmes, Hyderabad – *Talk: Translational research on the eye*; 23 January 2013.
- IISER, Pune - 2 *lectures: Molecular Understanding of Congenital Cataract of the Lens; & Translational Research in Eye Care: the LVPEI Experience*; 6-7 February 2013.
- Bombay University, Mumbai - 2 *talks: Molecular Biology of Congenital Cataract; & Limbal Stem Cell Therapy*; 12 February 2013.

#### Praveen Kumar Balne

##### National

- Indian Eye Research Group - ARVO-India Chapter, 20<sup>th</sup> Annual Meeting, Hyderabad - *Poster presentation - Molecular Characterization of Microsporidia and Adenovirus associated with Epidemic Keratoconjunctivitis, (first author)*; 28-29 July 2012.
- 6<sup>th</sup> annual conference of IAMM Odisha Chapter 2012, Bhubaneswar – *Presentation: Evaluation of Multiplex PCR for the Diagnosis of Intraocular Tuberculosis*; 12 August 2012.

#### Seema Banerjee

##### National

##### Invited talks

- Sixth Annual Conference of Indian Optometry Association, Kerala Chapter – *Talk: Community Eye Care Services and CBR*; 8-9 December 2012.

#### Sayan Basu

##### International

- AAO, Chicago, USA – 4 *engagements: Instruction Course: Management of chronic Stevens Johnson Syndrome; Paper Presentation: Treatment of bilateral limbal stem cell deficiency; Poster presentation: Mucosal complications of osteo-odonto keratoprosthesis; Poster presentation: Simple Limbal Epithelial Transplantation*; November 2012.
- Massachusetts Eye and Ear Infirmary, Harvard Medical School, Boston, USA – 2 *Invited talks: Osteo-odonto Keratoprosthesis in Chronic Stevens Johnson Syndrome; & Limbal Stem Cell Therapy*; 15-16 January 2013.
- University of Rochester Medical Center, Rochester, USA - *Invited talk: Role of Imaging in the Management of Acute Corneal Hydrops and Antibiotic Prophylaxis in Cataract Surgery*; 15 March 2013.
- Ophthalmology and Visual Sciences Research Center, University of Pittsburgh Medical Center, Pittsburgh, USA - 2 *Invited talks: Limbal Biopsy as a Source of Stem Cells for Autologous Stromal Cell-based Therapy; & LVPEI Eye Health Pyramid*; 20-21 March 2013.

##### National

- Evidence 2012, Hyderabad – 3 *Engagements: Talk: Acute Corneal Hydrops; Talk: Management of Acute Chemical Injuries and Stevens Johnson Syndrome; Talk: Management of Chronic Stevens Johnson Syndrome: Dua's Course on Ocular Surface Diseases*; 2-3 June 2012.
- AIOS Post-Graduate Update (East-Zone), Regional Institute of Ophthalmology, Kolkata – *Talk: Limbal Stem Cells and Keratoprosthesis*; 22 June 2012.

#### Soumyava Basu

##### International

AAO, Chicago, USA – *Presentation: Polymerase Chain Reaction Outcomes in Clinically Predicted Tubercular Uveitis*; 10-11 November 2012

##### National

- Evidence 2012, Hyderabad – 3 *engagements: Faculty, Ocular tuberculosis; Panelist, Pow-Wow, Empirical vs Evidence - Which Way to Go; & Panelist, Uveitis and Inflammation*
- 4<sup>th</sup> Retnet India Meeting, Cochin – *Presentation: Ocular tuberculosis: retinal vs choroidal*; 21-22 July 2012.

#### Shrikant Bharadwaj

##### International

- Caledonian University, Glasgow, UK – *Presentation: Uncorrected astigmatism as an alternate strategy for optimizing near vision after cataract surgery.*
- Cardiff University School of Optometry & Vision Science, UK - *Presentation: Predicting the image quality of pseudophakic eyes with uncorrected astigmatism*

##### National

- Dr E Vaithilingam Memorial Scientific Session 2013, Chennai – *Presentation: Predicting the image quality of pseudophakic eyes with uncorrected astigmatism*; 17 March 2013.

#### Subhabrata Chakrabarti

##### International

- Indo-US Symposium, Novel Tools and Themes in Vision Sciences, Hyderabad – *Presentation: Molecular Epidemiology of quantitative traits associated with progression in age-related eye diseases*; 22-23 January 2013.
- APAO-AIOS, Hyderabad - *Presentation: Genomics of primary open angle glaucoma in India: The road ahead. Presented at the Genomics symposium*; 17-20 January 2013.
- Annual Postgraduate Review Week, UNSW, Sydney, Australia – *Presentation: Measures of scientific productivity and scientific misconduct*; 10-14 September 2012.
- Duke University Medical Center, North Carolina, USA - *Presentation: Genomics of glaucoma in India: Some recent results*; 1 May 2012.

##### National

- Guha Research Conference at the North Eastern Hill University, Shillong – *Presentation: Genomics of an age-related blinding disease*; 28 November 2012.
- Glaucoma Research Priorities Workshop, Aravind Eye Care Systems, Madurai - *Presentation: Genomics of glaucoma: An Indian perspective*; 1 October 2012.
- Vision Genomics Workshop, Aravind Eye Care Systems, Madurai - *Presentation: Genomics of age-related macular degeneration in the Indian scenario*; 2 October 2012.

#### Sunita Chaurasia

##### International

- APAO-AIOS, Hyderabad - *Poster presentation: Endothelial Keratoplasty: a review of indications at a tertiary eye care center in South-India*; 17-20 January 2013.
- 9 GA, IAPB, Hyderabad - 2 *Poster presentations: Endothelial Keratoplasty: a review of indications at a tertiary eye care center in South India; Neonatal keratitis: clinical presentation and management*; 17-20 September 2012.
- American Academy of Ophthalmology, Chicago, USA - *Instruction*

*Course:* Nightmares in pediatric cataract surgery; *5 Poster presentations:* Deep Anterior Lamellar Keratoplasty (DALK) in children of amblyogenic age group: Indications, Surgical Challenges and Outcomes; Outcomes of secondary intraocular lens implantation (IOL) in aphakic children: a five-year experience at a tertiary care center; Outcomes of keratoplasty by using pediatric donor cornea less than 3 years of age; Comparative outcomes of endothelial keratoplasty (EK) with or without stripping Descemet's membrane (DM); One year outcomes of pediatric lamellar keratoplasty: endothelial and deep anterior lamellar keratoplasty comparison with penetrating keratoplasty; November 2012.

#### National

- Eye PEP 2012, Hyderabad - 4 *paper presentations:* Evaluation of cornea and anterior segment; Phacoemulsification: Steps and surgical techniques; Penetrating keratoplasty: Evolution, eye banking, suturing and surgical techniques; Corneal dystrophy and corneal degenerations; 31 September -7 October 2012.
- Evidence 2012, Hyderabad - 4 *paper presentations:* Endothelial keratoplasty: Descemet stripping vs. Non stripping endothelial keratoplasty; Cataract: Cataract surgery in eyes with prior kerato-refractive procedures; Microbial keratitis: Newer anti-bacterial agents; Ocular Infections: Lens abscess-diagnosis and management; 31 May-3 June 2012.
- National Programme for Control of blindness: KID-ROP - *Presentation:* Corneal and anterior segment disorders in early childhood

#### Jay Chhablani

##### International

- APAO-AIOS, Hyderabad - 6 *Instruction courses:* Anti-VEGF trials in diabetic macular edema; Ranibizumab Trials in Age-related macular degeneration: review of clinical trials; Choroidal imaging; Parasitic diseases of the posterior segment; Autofluorescence - Advanced retinal diagnostics - getting under the skin of retinal diseases; Overcoming the mist of hazy media and tackling inadequate pupillary dilatation - Difficult situations in vitreoretinal surgery - prevention and management. 2 *Paper presentations:* Disruption of the photoreceptor inner segment/outer segment junction and external limiting membrane on spectral-domain optical coherence tomography are predictors of visual outcomes after primary epiretinal membrane surgery; Characterization and outcomes of scleral buckling (SB) and vitreoretinal surgery (PPV) in rhegmatogenous retinal detachments associated with ocular and oculocutaneous albinism. - 4 *Poster presentations:* Comparison between navigated laser system and conventional and PASCAL laser system; Spectral domain OCT features in fellow eyes of patients with idiopathic macular hole; Choroidal imaging using enhanced depth imaging (EDI) optical coherence tomography; Vitreous hemorrhage in polypoidal choroidal vasculopathy: incidence, clinical characteristics, and outcome of surgical management. - 2 *Video presentations:* Chorioretinal biopsy - surgical video; Navigated laser photocoagulation - a new frontier in retinal lasers
- EURETINA, Milan 2012 - *Paper presentation:* Spectral Domain OCT Features in Fellow Eyes of Patients with Idiopathic Macular Hole
- ARVO 2012, Fort Lauderdale, Florida - 7 *paper presentations:* Fluorescein Angiography And SD-OCT Analysis Of Lasered Microaneurysms In Diabetic Macular Edema; Safety And Efficacy Of Oral Fluorescein Angiography In Detecting Macular Edema Compared To Spectral Domain Optical Coherence Tomography; Disruption Of The Photoreceptor Inner Segment/outer Segment Junction And External Limiting Membrane On Spectral-domain Optical Coherence Tomography Are Predictors Of Visual Outcomes After Primary Epiretinal Membrane Surgery;

Correlation Between Visual Acuity And Subretinal Scarring Following Treatment Of Wet Age-Related Macular Degeneration; Vision Testing Algorithms For Time-dependent Stimuli In Patients With Macular Pathology; Image Guided Navigated Retinal Laser Treatments Using Multiple Image Modalities; The Best Functional Predictor of HIV Status in Relation to the Retinal Damage

- ASCRS, Chicago 2012 - *Paper presentation:* Automated Multimodal Vision Testing Device for Diagnostic Information That Correlates With Patient Complaints and Ocular Pathology
- AAO 2012, Chicago - *Video presentation:* Spectral Domain OCT-Integrated Navigated Retinal Laser Photocoagulation for Diabetic Macular Edema

#### National

- 21<sup>st</sup> Annual Conference of VRSI, Guwahati; 2 *Paper presentations:* Diagnosis of subretinal neovascularization (SRNV) secondary to idiopathic macular telangiectasia (IMT); & Clinical profile and long term outcome of scleral buckle infection/extrusion in south India. 2 *Poster presentations:* Pediatric vitreous hemorrhage: Etiology, clinical features and outcomes at a tertiary eye care center in India; & Microbiologic spectrum and susceptibility of isolates in scleral buckle infection; December 2012.
- AP Ophthalmological Society Conference 2012 - *Guest lecture:* AMD symposium - VEGF trap and Beyond anti-VEGF in AMD
- Retina CME 2012, Hyderabad - *Guest Lecture:* Management of DME
- Indian Eye Research Group - ARVO-India chapter - *Poster presentation:* Prophylactic Laser Photocoagulation Prevents Retinal Detachment in Eyes with Retinochoroidal Coloboma; July 2012
- Evidence 2012, Hyderabad - *Guest lecture:* Standard laser vs PASCAL vs NAVILAS- hype or reality

#### Nikhil Choudhari

##### International

- APAO-AIOS, Hyderabad - 9 *Engagements:* *Instruction course* on pediatric neuro-ophthalmology: Pediatric optic neuritis; *Invited talk:* Do blood tests are necessary in all cases of optic neuritis; *Instruction course* on investigations in neuro-ophthalmology: OCT in Neuro-ophthalmology; *Instruction course* on optic atrophy: Differentiating glaucomatous from non-glaucomatous optic neuropathy; *Instruction course* 'Optic disc edema: What next': True versus pseudo optic disc edema; *Instruction course* 'Optic disc edema: What next': Unilateral optic disc edema; *Poster presentation:* Glaucoma practice pattern in India; *Poster presentation:* Glaucoma in nanophthalmos; *Poster presentation:* Outcome of bleb needling; 17-20 January 2013.

#### National

- Evidence 2012, Hyderabad - 4 *Engagements:* *Talk:* Our experience of optic neuritis; *Case presentation and Discussion:* Normal Tension Glaucoma; *Case presentation and Discussion:* VKC and Glaucoma; *Surgical video presentation:* SICS + IOL + Trabeculectomy; 31 May-3 June 2012.
- Glaucoma CME, Bhubaneswar - 2 *Talks:* IOP and beyond; Rate of visual field progression: when and how to intervene; 21-22 July 2012.
- National CME, Sarojini Devi Eye Hospital, Hyderabad - *Talk:* Tonometry; 8 September 2012.
- Eye-PEP, Hyderabad - 3 *Talks:* Optic disc evaluation; Understanding optic neuritis; Peeking into the pupil - normal and abnormal; 3-4 October 2012.
- Glaucoma Society of India, annual meeting, Coimbatore - 4 *Invited talks:* Clinical evaluation of the optic disc; What is the implication of an isolated disc hemorrhage (as the only positive

finding) in a patient who has come for a routine eye check up (non glaucoma patient); A study of initial therapy for glaucoma in southern India: India Glaucoma Outcomes and Treatment (INGOT) study; If glaucoma is a 24 hour disease, why don't we consider the supine IOP in the risk management of our glaucoma patients as a routine; 5-7 October 2012.

- Andhra Pradesh Ophthalmic Conference, Guntur – 2 Engagements: *Invited video-based talk*: Technique of SICS+ IOL+ Trabeculectomy; *Invited talk*: Approach to a patient with optic disc pallor; 12-13 October 2012.
- Glaucoma Workshop, organized by Allergan, Chennai - *Invited Case Presentation*: Management of glaucoma in ICE syndrome; 24 February 2013.

#### Sujata Das

##### International

- Asia Pacific Academy of Ophthalmology (APAO) Annual Conference, Busan - *Invited Speaker*: The role of in-vivo confocal microscopy of fungal keratitis; 13-16 April 2012.
- APAO-AIOS. Hyderabad – 4 engagements: *Invited Faculty*, Reliability of Pachymetry after laser refractive surgery; *Instruction Course*, Garlands and Wreaths of Nocardia Keratitis; *Instruction Course*, Challenges in diagnosis and management of Fungal Keratitis, Das S, Sharma S, Mittal R; *Free Paper*: Donor and tissue profile of a community Eye Bank in Eastern India, (co-author); January 2013.

##### National

- Evidence 2012, Hyderabad – *Faculty*: My Way of Management of Parasitic Keratitis; 31 May – 3 June 2012.
- IERG ARVO-India Chapter 2012, Hyderabad - *Free Paper*: A prospective, double-masked, randomized, clinical trial to evaluate the efficacy of debridement in the treatment of keratoconjunctivitis caused by microsporidia; 28-29 Jul 2012.
- AIOC, Kochi – 2 Engagements: *Instruction Course*: Non-Viral Corneal Ulcer - Challenges and Tips for Management: Clinical Evaluation of a Case of Corneal Ulcer; *Invited Speaker*: My No 1 Pearl in Cornea: Sclero-Corneal Patch Graft for Tunnel Infection; 2-5 February 2013.

#### Taraprasad Das

##### International

- APAO, Busan – 4 Engagements: *Invited Speaker*: Central serous chorioretinopathy. Clinical features revisited; *Invited Speaker*: Trends and outcome of anti VEGF treatment in wet AMD in India; *Invited Speaker*: Endophthalmitis Kit (E-Kit); *Invited Speaker*: Optimal management of diabetic macular edema; 13-16 April 2012.
- ARVO, Ft Lauderdale, USA – *Poster*: Endophthalmitis Kit (E-Kit); 6-10 May 2012.
- Retina - Colombo, Sri Lanka - Subthreshold laser in diabetic retinopathy; and Management of venous occlusion- evidence based approach; 9-10 August 2012
- APAO-AIOS, Hyderabad – 2 Engagements: *Invited Faculty*: Advocacy in eye care in India and South East Asia; *Invited Faculty*: Computerized detection of lesions in diabetic retinopathy; January 2013.
- 9<sup>th</sup> General Assembly, IAPB, Hyderabad – *Presentation*: New Technology for image analysis in diabetic retinopathy; 17-20 Sep 2012.
- 7<sup>th</sup> Annual Meeting, Asia Pacific Vitreo Retinal Society, Hong Kong – *Presentation*: Trend of anti VEGF usage in India before and after CATT results; Dec 2012.
- World Ophthalmology Congress, Abu Dhabi - *Invited Speaker*: Pharmacotherapy in wet AMD; 16-20 February 2013.

##### National

- Symposium on Diabetic Retinopathy, Siliguri - *Invited faculty*: Clinical Management of Diabetic Retinopathy; 30 June 2012.
- IERG-ARVO-IC, Hyderabad - *Invited faculty*: Evaluation of an indigenous fundus camera in diabetic retinopathy screening; 28-29 July 2012.
- Retina 2012 - Aravinda Retina Vitreous Institute, Vijayawada - *Invited faculty*: Evolution, Utility and Future Direction of Intavitreal Pharmacotherapy; 5 August 2012.
- RP Center Update, New Delhi - *Invited faculty*: Application of new knowledge and technology in diabetic retinopathy care (Bharat Jha Azad Oration); March 2013
- Uttarakhand Society of Ophthalmology, Annual meeting, Corbett National park - *Invited faculty*: Application of molecular microbiology in management of endophthalmitis (CS Grover Oration); 27-28 October 2012.
- Vitreo Retinal Society of India - *Invited faculty*: EVS Recommendations 1995 vs. 2012, Sohan S Hayerh Oration; Dec 2012.
- Annual Meeting, Andhra Pradesh Society of Ophthalmology, Guntur - Diabetic retinopathy imaging: Is auto detection the future of screening; 12-14 October 2012.
- AVRRT, Ahmedabad - *Invited Speaker*: What can we expect from Eylea and Microplasmin; 17-18 March 2013.

#### Merle Fernandes

##### International

- ARVO, Fort Lauderdale, Florida - *Poster presentation*: Emergence of Pan-drug resistant Pseudomonas aeruginosa keratitis as a cause of Microbial keratitis; May 2012
- XXX ESCRS, Milan, Italy - *Chief Instructor for 2 courses*: Pediatric Penetrating Keratoplasty: To do or not to do; & Pediatric cataract surgery: Hard facts about soft cataracts; September 2012.

##### National

- CME, Chennai – *Moderator of Session*, April 2012
- Evidence 2012, Hyderabad – 2 engagements: *Co-instructor*, The Dua Course: Ocular Surface, -Surgical Technique of AMT for Shield ulcer, SJS, chemical injury; & Ant-histaminics or Mast Cell Stabilisers or both; & *Co-chair*, Ocular Surface Session
- APOS, Guntur - 3 engagements: *Chief Instructor*, Controversies in Pediatric Cataract Surgery; *Invited speaker*, Pediatric corneal problems, Pediatric Symposium; *Judge*, Swaroop's Video session; October 2012.
- CME, Rajamundry - *Invited speaker for 2 topics*: Emerging Trends in the Management of Dry Eye; & Differentiating Red Eyes; December 2012
- CME, Visakhapatnam - *Invited speaker*, Maximise Surface Health Prior to Cataract Surgery; January 2013

#### Prashant Garg

##### International

- Asia Pacific Academy of Ophthalmology 2012 in Busan, Korea - *Invited speaker*; 13-16 April 2012
- Annual meeting of Ocular Microbiology Immunology Group - *Chair & speaker*, Microbiology work-up in the diagnosis of Non-contact lens related Acanthamoeba keratitis
- AAO meeting – 2 engagements: *Poster*, Ocular manifestation of Herpes Zoster Ophthalmicus - prospective evaluation at a tertiary care center; & *Chair*, The controversies and dilemmas of managing ocular infectious diseases: point-counterpoint
- APAO-AAO - *Senior instructor of invited course*: Atypical keratitis; *Talk 1*: Introduction of the course classical clinical features of various corneal infections; *Talk 2*: Parasitic infections; *Talk 3*: Infection of suture-less cataract surgery wound

- 3<sup>rd</sup> Asia Cornea Society Meeting, Manila – 3 engagements: *Talk 1*: Multi-drug resistant Pseudomonas Keratitis; *Talk 2*: Quality assurance, training and research in eye banking; *Chair* of session on corneal infections
- 18<sup>th</sup> Annual conference, Kyoto Cornea Club - *Invited speaker*, Microsporidia infection of cornea – a unique and challenging disease
- APAO-AIOS meeting, Hyderabad – 9 engagements: *Invited speaker* and *program committee member* of APAO Conference for Educators - Models of Team and Team training; *Speaker* for an Instruction course: Donor dislocation - prevention and management; *Speaker* in Symposium: Innovation in teaching and learning, *Webinar* – LVPEI experience; *Speaker* in Symposium: Teams in Ophthalmology, *Talk* – Team care and team learning at L V Prasad; *Chair and Speaker* at ICO symposium: Accreditation and certification – best practices, *Talk* – Models of Physician certification; *Invited speaker* at Breakfast Symposium: Basivance – a novel chlorofluoroquinolone, *Talk* – Ocular infection management in India; *Instruction course*: Unusual corneal pathogens – know, learn and treat, *Talk* – Acanthamoeba keratitis – recognize these rings; *Instructor for a wet-lab session* on DSEK; *Chairman* of the Hyde Park Session 1; 16–20 January 2013.
- Symposium ‘Cornea and Refractive Surgery Today’, Tel Aviv - *Invited speaker for 4 Talks*: Lamellar keratoplasty for microbial keratitis; Emerging Challenges of microbial keratitis; Acanthamoeba keratitis – Indian Experience; & Evidence based management of fungal keratitis; 28 February-1 March 2013.

#### National
